Eastleigh Safer Places Scheme

The Eastleigh Safer Places Scheme aims to help vulnerable people feel safer when they are out and about

How does it work?

The Safer Places card - card has your name on and the name and telephone numbers of 2 people you trust.

The Safer Places - If you are harassed, bullied, scared or lost you can get help at any of the places showing a Safer Places sticker.

Show your card to the staff in the Safe Place and the staff will call the person for you.

You can stay at the Safer Place and wait for the trusted person to arrive.

Help points

There are also yellow "help points" in Eastleigh Town Centre. If you press the button on the Help points you can speak to someone at the CCT control centre who can call the emergency services if needed.

There are also help points at the railway stations in the Borough.

Safer Places Cards

The Safer Places cards are available from Eastleigh Borough Council's offices, Eastleigh Museum and Parish Council Offices.
