

Record of Delegated Decision made by Nick Tustian, Chief Executive in consultation with Cllr Keith House. Approval of Local Plan for Regulation 19 consultation (see minute 32 Council 11 December 2017/Minute 68 Cabinet 11 December 2017)

I met with Cllr House on Wednesday 20th June at 1pm and it was confirmed to us by Sam Fox that all Technical Studies required pursuant to the Regulation 19 consultation on the final Eastleigh Borough Local Plan 2016-2036 (the Local Plan) had been obtained (with the exception of the final Habitats Regulations Assessment). At that time the Draft Habitats Regulations Assessment had been received.

Further to the meeting with Cllr House on 20th June, following the receipt of the Habitats Regulations Assessment, I reviewed this on Friday 22nd June. A report by Sam Fox which sets out the technical studies that have been undertaken since the Council decision on 11th December 2017, and summarising the Eastleigh Borough Local Plan (2016-2036), was used to inform our discussion. Appendix 1 of this paper shows the intended finalised wording and content of the "pre-submission" Local Plan.

We were advised by Sam Fox that the maps in Appendix 2 of the Local Plan have been updated since 11 December 2017. (copies of the amended plans are attached at Appendix 3 to this note.)

We considered that the content of the proposed Local Plan had not been significantly changed. The reasons for this are set out in the above mentioned report.

Following the meeting on Wednesday 20th June; a review of the Habitats Regulations Assessment on Friday 22nd June; and a review of the above mentioned report by Sam Fox on Friday 22nd June, I have concluded that the Eastleigh Borough Local Plan (2016-2036), and its background evidence, are sufficiently complete for me to confirm that the Council proceed to Regulation 19 consultation pursuant to the 11 December 2017 Council decision.

Signed

Chief Executive

Date 20 June 18

I confirm that I was consulted on the above and that I advised the Chief Executive that I was content for the above action to be authorised.

Signed

Leader of the Council
